FestivALL Facts

WHAT IS FESTIVALL?

Partnering with over 60 arts and community organizations and hundreds of local, regional, national and international artists each year, FestivALL, a 501(c)(3) nonprofit organization, is considered a premiere arts collaborator of Charleston, West Virginia. FestivALL is city-wide and multi-arts and serves its mission through its 10-day June FestivALL, an October weekend FestivALL Fall and other programming throughout the year. In 2016, FestivALL included over 70 events and 320 performances and exhibitions from music, theatre, dance, visual art, humanities and more. These welcomed over 400 local, regional, and national acts to the capital city. Many events are free or low cost and are designed with a little bit of something for everyone.

FESTIVALL'S MISSION:

The mission of FestivALL Charleston is to create and sustain a community with comprehensive and robust arts and entertainment opportunities, which attract tourists and serve as an economic development tool and catalytic force in uniting and stimulating local artists and arts groups.

WHAT WE DO:

FestivALL is known for its multi-arts, multi-venue summer festival and mini fall festival when a "City becomes a Work of Art", but how else does FestivALL contribute to its community and the local and state economies?

A City Becomes a Creative Destination and Home: FestivALL helps create a lively city environment where entrepreneurs, artists and families want to visit, live, work and play. It's become a time for homecomings, reunions and inviting friends to visit.

A City's Children Become Achievers: FestivALL provides educational opportunities for young people such as the Art-for-ALL children's juried art exhibition, the Neighborhood Arts Program and summer internships as well as informative panels and

seminars for adults.

A City's Economy Becomes Robust: The arts are an essential part of Charleston's identity and FestivALL showcases Charleston as a unique and desirable place to visit, contributing to the financial growth of artists and area businesses.

HOW FESTIVALL OPERATES:

FestivALL directly produces some events, co-produces some events and presents some events that are produced by other individuals and organizations. It includes visual arts, music, theater, dance and film as well as other cultural and entertainment events. It mixes fine arts and pop arts in venues and locations all over Charleston and includes a wide variety of styles and genres. Main Events are: The Mayor's Concert, Festiv-ALT concert, The Capitol Street Art Fair/Children's Art Fair/Library Street Fair, productions by the Charleston Light Opera Guild, Mountain Stage, Smoke on the Water Chili Cook-Off, Dance Gala, Blues, Brews & BBQ, Wine & All That Jazz, riverboat rides, major theatre productions and international talent.
