

Dear Artist:

Thank you for your interest in FestivALL Street Stages! At FestivALL we seek a **diverse** range of offerings with a particular focus on **original** music. Most of the FestivALL Street Stages are **family-friendly**, so please consider whether that is a fit for you. Bookings for street stages are usually made by early May for our June FestivALL. While we do our best to respond to all inquiries, if you do not hear from us by this time, please know that we were not able to find a fit for this year.

Street stage bookings include but are not limited to the following events:

- Smoke on the Water Chili Cookoff
- Capitol Street Art Fair stages at Taylor Books and Davis Park
- Children's Art Fair Stage
- ArtWalk
- Carriage Trail

What are we looking for?

If you are interested in being considered for any FestivALL street stages, please send the following to **Sean Richardson at ratrace33@yahoo.com**:

- Band name
- Member names
- EPK including
 - o photos/headshots
 - o CD or link to music
- Tech needs or stage set (please include what gear you can bring and any special requirements)
- Answers to these questions
 - o Do you have a family-friendly set?
 - o If you are typically electric, can you do acoustic if need be?

Thanks and we look forward to the possibility of working with you in 2017!
